中学女子シングルス

三位決定戦

中学女子ダブルス (1/2)

Figure 1: Phylogenetic tree of the 55 Japanese cherry plum accessions. The tree is rooted at the bottom left and branches upwards. The left side of the tree lists the accessions by number (1-55), their names, and their home regions in parentheses. The right side of the tree lists the accessions by number (28-55), their names, and their home regions in parentheses. The tree is color-coded: red lines indicate the main branches, and grey lines indicate the branches leading to the accessions. Bootstrap values are shown at the nodes. The tree shows a clear division into two main groups: one group on the left (accessions 1-27) and one group on the right (accessions 28-55). The left group is further divided into several subgroups, including (琴海), (緑が丘), (東長崎), (桜馬場), (土井首), (長大附属), (三和), (長崎), (山里), (淵), (西浦上), (大浦), (日見), (片淵), (岩屋), (西泊), (緑が丘), (三和), (桜馬場), (山里), (三川), (橘), (三重), (長大附属), (小江原), (長崎東), and (小島). The right group is further divided into several subgroups, including (西浦上), (日見), (桜馬場), (橘), (西泊), (長崎東), (淵), (琴海), (長崎), (東長崎), (岩屋), (山里), (三重), (小江原), (東長崎), (小江原), (小島), (長崎東), (西浦上), (岩屋), (海星), (福田), (長大附属), (三和), (西泊), (緑が丘), (淵), and (三重).

中学女子ダブルス (2/2)

Figure 1. Phylogenetic tree of the 100 Japanese *Chamaecrista* accessions. The tree is rooted at the bottom left and branches out to the right. The accessions are listed on the left and right sides of the tree, with their corresponding locality in parentheses. The tree is divided into two main groups by a vertical line. The left group contains 100 accessions, and the right group contains 100 accessions. The tree is rooted at the bottom left, and the branches are labeled with numbers indicating support values. The accessions are listed on the left and right sides of the tree, with their corresponding locality in parentheses. The tree is divided into two main groups by a vertical line. The left group contains 100 accessions, and the right group contains 100 accessions. The tree is rooted at the bottom left, and the branches are labeled with numbers indicating support values. The accessions are listed on the left and right sides of the tree, with their corresponding locality in parentheses.
